

To Whom it May Concern:

It is my great pleasure to recommend Rev. Byron Wooseung Chae. I have had the privilege of knowing Byron personally and professionally for over twenty years and I have come to know him as a faithful pastor, seasoned minister, and trusted colleague in ministry. Rev. Chae is an experienced and well-established pastor who has demonstrated a deep commitment to the Church and to the calling of Christian ministry. Over the years, he has served faithfully not only at the local church level but also in denominational and broader ministry contexts. His extensive experience has given him a mature understanding of pastoral leadership, church administration, discipleship, and the responsibilities that come with serving God's people.

I have also observed in Byron a genuine heart for people. He values relationships, Christian fellowship, and the spiritual growth of those he serves. At the same time, he possesses the leadership ability and maturity necessary to serve effectively within larger denominational structures and organizations. I recommend Rev. Chae without reservation. I am confident that he will continue to serve with distinction, humility, and faithfulness wherever God calls him. Please feel free to contact me if I can provide any additional information regarding Rev. Chae and his ministry.
