

Dear friend,

Greetings in the Name of the Lord.

I'm delighted to invite you to prayerfully consider supporting Byron Chae, Associate Director of Fellowship International. Byron has faithfully served with Fellowship International since February 2021 and continues to play an important leadership role in advancing our mission of making disciples among the nations.

I have had the privilege of serving alongside Byron for many years and am deeply grateful for his godly character, commitment to Christ, and passion for the Great Commission. Over the years, Byron has contributed significantly to the recruitment and preparation of new missionaries, the development of disciple-making and movement-focused approaches to ministry, and the strengthening of partnerships with Fellowship churches and like-minded mission organizations.

In his role as Associate Director, Byron now carries broader leadership responsibilities within Fellowship International. He works closely with our missionaries, churches, partners, and leadership team to strengthen our ministry around the world and to help prepare Fellowship International for the opportunities and challenges ahead. His experience, creativity, and commitment to seeing disciples make disciples continue to be a tremendous asset to our mission.

As part of his service with Fellowship International, Byron is required to develop a personal support team. I would invite you to prayerfully consider partnering with him through regular prayer and financial support. Your partnership enables Byron to continue investing his gifts and experience in the work God has entrusted to him through Fellowship International.

If you have any questions as you consider this opportunity, please do not hesitate to contact Fellowship International.

Thank you for your prayerful consideration and for your partnership in the Gospel.

Blessings,

Luc Tétreault
Interim Director
Fellowship International
